**ABOUT THE CLUB:**

Enactus Ethiraj is an Entrepreneurial development platform with a base of 720+students . Enactus Ethiraj has its existence in Ethiraj college since the acadamic year 2014-2015. Enactus also has an international recognition.

The club has worked on projects like “En Kalan “( cultivation of mushroom ) and “Ethidle”(handmade candles) during the years 2016-17 and 2017-18.

Enactus Ehiraj is currently working on “ Project Nambikai”. In december 2018 , Enactus team took up a survey and the student entrepreneurs came up with an idea to help the people of Manavala nagar, Thiruvalluvar District and to give them a stable head for business.The student entrepreneurs taught the members to make slik thread bangels , silk thread earrings and organic soaps and these products were sold on various occasions inside the college premises.

Enactus Ethiraj with the help of the college provides an exceptional platform where students can come together and build a better place for people to live in.
