

### About the College

Ethiraj College for Women, Chennai, founded by Thiru V.L. Ethiraj in the year 1948 is one of the leading Educational Institutions of Tamil Nadu. It is dedicated to the cause of Women's Education offering 30 UG courses, 22 PG courses, 21 Research Projects and several certificate courses for around 8000 students. With the motto - "To strive, to seek, to find and not to yield", the College ensures high Academic Excellence and all round development of the Stakeholders.

### About the Department

Started as an Undergraduate Department in the year 1997, it was upgraded to a Post Graduate Department in the year 2006 with well equipped laboratories and experienced faculty. The students are trained in both Basic and Applied aspects of Microbiology with Hands - on training in several Molecular and Immunological techniques. To encourage Research, the Department has organized two National level seminars in the year 2008 and 2017. A National level Conference on Biosciences in the year 2011 and several guest lectures were also organized.

### Objective of the conference

The Conference is organized with the prime idea of exposing the Students, Research Scholars and Faculty to Innovations and Developments in Life Sciences, to kindle their research interest and to provide a platform to share and express their ideas. The delegates also get to know the Prospects of Life Sciences through a series of Lectures by Eminent Scientists.
