

ROTARACT CLUB OF ETHIRAJ

EYE CHECK UP CAMP

On 16-12-2017, the Rotaract Club of Ethiraj College in association with Bohra Eye Hospital organized a one day Eye Check up camp in Karunakaracherri village adopted by our College for villagers. The response was overwhelming from the villagers. Around 110 villagers, most belonging to the age group of 40 to 70 benefited. Besides, 56 spectacles were sponsored by Rotaract Club of Ethiraj for villagers and some even had an emotional outbreak. Yet another benchmark for Rotaract Club of Ethiraj.
