bench, Babu Peram, district governor, RI District 3232 and audience were a large number of armed forces veterans, more than three hundred Cadets, and a large number of rotractors, the youth of rotary international.

**DAKSHA’19**

Daksha is an intra-collegiate competition which was held on 10th and 11th of January 2020 for first year cadets. Various events such as Contingent Drill, Cross Country, Obstacles, Individual Drill, Tent Pitching, Map Reading, Written test, Group Discussions, Personal Interview and Cultural events which include Group Dance, Group Song and NIAP were organized. Cadets were evaluated by our Associate NCC officer Cpt. R. Shanthini and Lt.Col. Bhavani, who is also an alumnus of our college NCC. This competition aims to provide a platform for first year cadets to showcase their talents, inculcate competitive spirit and an exposure to camp life.

**SOCIAL SERVICE EVENTS:**

**OLD AGE HOME**
Our NCC Cadets visited an old age home in Old Washermanpet, Chennai on 17th January, 2020 to rekindle the festive spirits among the residents on the occasion of Kanum Pongal. The residents participated enthusiastically in the games and the cultural programs that were conducted. They also shared their insightful experiences with the cadets. The cadets distributed sweets and snacks to celebrate the occasion.

OTA WALL PAINTING

The Officer's Training Academy of Chennai provided an opportunity to our NCC cadets for painting the polo pit. It was an activity of three continuous days 8th to 10th February 2020, where the cadets also got to interact with the officials there and learn about the training given to the cadets in the academy. The cadets also got to see how well the horses were trained. All of the participants received certificates of appreciation from the OTA after the event. The overall experience was thoroughly informative and highly overwhelming.

GROWING WITH CHILDREN

‘Growing with children' was an initiative taken with Kendriya Vidyalaya School, Adyar, Chennai. It aimed to create awareness about cleanliness, deforestation and afforestation, and recycling of plastics in children. The
cadets had an interactive and informative discussion with 4th and 5th grade students. Many students eagerly participated with interesting information, and made it a memorable event.

**Park Cleaning:**

Maintaining our surroundings and environment clean is one of the basic and important initiatives to be taken. Our NCC cadets took an initiative to clean the **May Day Park** on 16th December 2019 and segregated the waste into biodegradable and non-biodegradable properties. It is observed that the amount of plastic usage was in abundance and hence was sent to recycling.
