

ETHIRAJ COLLEGE FOR WOMEN
DEPARTMENT OF MICROBIOLOGY
WORKSHOP REPORT - JANUARY 2020

The Department of Microbiology organized a State Level Workshop on “Intellectual Property Rights and their Implications” on 22nd January 2020, in the Mini Auditorium, Campus II, Ethiraj College for Women, Chennai. The speaker for the first session was Dr. B. Deepa, Patent Attorney, Intellpat Solution, Chennai. She gave an overview idea about Intellectual Property Rights and Patents. She also discussed about many case details filed for patent right that grabbed the students’ attention.

Dr. B. Deepa, Guest Speaker of the Workshop - Addressing the gathering.

The post-lunch session was presided over by Mr. B. Ahilan, Deputy Controller of Patent & Design, Government of India, Chennai. He gave a detailed talk on Copyright and Trademark and also quoted real life examples with supporting videos. The students (from Microbiology, Biochemistry, Clinical Nutrition & Dietetics, Human Rights and Duties Departments of Ethiraj College and few Microbiology Department students of JBAS College) participated with great enthusiasm and also acquired in-depth knowledge in Patent, Trademark and Copyright. The students also came forward with queries and got them solved.

Mr. B. Ahilan – Guest Speaker of the Workshop
