

RULES AND REGULATIONS WITH EFFECT FROM 2018 – 19

The M. Phil Degree syllabus has been revised with effect from the academic year 2018 – 19 under the Choice Based Credit System (CBCS) as specified by Government of Tamil Nadu. The course has been designed to enhance the employability of the students especially for the teaching profession.

Eligibility for Admission

Candidates should have passed two years PG degree course (M.Com General / M.Com with any specialization after three years degree course and higher secondary of 12 years duration or pre – university under 11 years SSLC (10+2 years or 11+1 years)

Minimum marks for admission for full time M.Phil degree course shall be 50% for the candidates who have qualified for the master's degree prior to 1-1-91 and 55% for the candidates who have qualified for the degree after 1-1-91.

Candidates belonging to SC/ST and physically challenged who are qualified on or after 1-1-91 are given concession of 5% of marks in the minimum eligibility marks prescribed. There is no provision for rounding off of 54.5% marks and above to 55%.

The reservation policy of the government is strictly followed in admissions for candidates from University of Madras, autonomous colleges and from non-autonomous colleges of University of Madras who have obtained their PG degree.

Both internal and external marks are considered for the qualifying examination.

The case of candidates who have obtained their PG degree from other universities, marks secured by them in external examination alone are considered for the qualifying examination.

Selection

Selection of candidates is based on the marks secured in the qualifying examination, entrance test and viva conducted by the department.

Eligibility for award of Degree

A candidate is eligible for a degree only if she has undergone the prescribed course of study for a period of not less than one and has passed the examinations and submitted her dissertation at the end of the course period.

COURSE OF STUDY

S.NO	CORE PAPER	Paper code	Credits	Hours	CA Marks	SE Marks	Total
1.	Research and Teaching Methodology	7M18/RTM	5	75	40	60	100

	i)Advanced Financial Management (or)	7M18/AFM					
	ii)Organisational Behaviour (or)	7M18/ORB					
	iii)Marketing Management (or)	7M18/MAM					
	iv)Entrepreneurial Development	7M18/EDP					
4.	Dissertation and Viva-Voce	7M18/DIS	21		CA 50	Final Report 100 and Viva Voce 50	Total 200 Reduced to 100
	Total Credits		36				

PROGRAMME EDUCATIONAL OBJECTIVES (PEOs)

The Programme aims at producing Research Graduates who will be able to:

PEO 1: SUBJECT PROFICIENCY

Attain proficiency in the commerce related fields, empowering them to ably face the challenges of the dynamic business environment.

PEO 2: PROFESSIONAL GROWTH

Pursue higher education in the fields of commerce and management and have professional expertise and research acumen for successful careers in industry, research and academia.

PEO 3: RESEARCH SKILLS

Emerge with good analytical, logical and reasoning skills for a successful career in research.

PEO 4: NATION BUILDING

Exhibit ethical and environmental values and become responsible citizens of the nation.

PROGRAMME OUTCOMES (POs)

On completion of the M.Phil Programme, the researcher will be able to

PO 1: Apply contextual and practical knowledge endowed professionally for the academic and corporate world.

PO 2: Identify the research aptitude to pursue research in new and advanced areas.

PO 3: Apply skill sets for critical and analytical thinking, communication and leadership in all walks of life.

PO 4: Identify, design & formulate projects relating to the need of the environment for sustainable development.

PO 5: Plan for any area of specialisation relating research in initiatives relating to contemporary areas in business and design teaching methodology based on practical exposure gained for life long learning. **(USP)**

PROGRAMME SPECIFIC OUTCOME (PSOs)

On completion of the specific programme the researcher will be able to:

PSO 1: Apply the knowledge of latest trends in Commerce relating to human resource management, marketing, banking, entrepreneurial development and finance.

PSO 2: Analyze and evaluate the complex problems in business with an understanding of the contextual and practical knowledge gained.

PSO 3: Prepare for a career in teaching and research.

PSO 4: Equipped for employment in Government and Private Research institutions

PSO 5: Engage in lifelong learning by being equipped with a global outlook towards facing challenges of the dynamic world.

PSO 6: Acquire proficiency and analytical skills in areas of commerce along with hands on experience in organizations with respect to research project/work.

RESEARCH & TEACHING METHODOLOGY

Total hours: 75

Course Code: 7M18/RTM

Credits: 5

COURSE OBJECTIVES:

To enable the students

- To Gain knowledge about types of research, research process and hypothesis testing.
- To learn various sampling techniques, data collection methods, test questionnaires for validity and reliability.
- To understand the steps in processing and tools of univariate, bivariate and multivariate analysis.
- To learn the techniques of interpretation and report writing and preparation of research projects for finding purposes.
- To develop teaching, communication, presentation skills.

COURSE OUTLINE:

UNIT 1

Introduction to Research Methodology – Meaning ,purpose and type of research, Research Design – steps in selection and formulation of a Research problem – Research hypothesis – types – concepts – procedures of testing hypothesis **(15 hrs)**

UNIT 2

Sampling Techniques – Sampling error & Sample size. Measurement and scaling techniques. Data collection methods- testing validity and reliability **(15 hrs)**

UNIT 3

Processing of Data – editing – coding ,classification and tabulation, Analysis of data- Measures of relationship – Correlation and Regression – simple and partial Time Series analysis – introduction – measurement of secular trend – methods- Measurement of seasonal variations Hypothesis testing and estimation ;testing of small and large small – ANOVA and Chi Square Test for association and Goodness fit. Multivariate analysis using (SPSS) - Multiple Regression, Factor Analysis, Cluster analysis, Discriminate analysis – exposure to PROWESS Database (demo) **(15 hrs)**

UNIT 4

Interpretation and report writing – Meaning and precautions in Interpretation ,types of reports – style and conventions in reporting – steps in drafting of report – preparing research proposals for funding – UGC,AICTE,ICSSR funding schemes and their requirements **(15hrs)**

UNIT 5

Lecture- steps- planning – Teaching skills – Teacher’s competencies Managerial skills – communication skills – Teaching Aids. Presentation Skills – presentation Aids, planning and structuring a presentation (15 hrs)

80% theory and 20% problems
